

ESSEX & SUFFOLK BORDER FOOTBALL LEAGUE

PLAYER REGISTRATION SHEET - 2018/2019

CLUB:

Sheet Number:

Players Declaration:- I declare that I have not signed for any other Club in this competition during the current season and that I am under no obligation (financial or otherwise) to any other Club and that I will abide by the Rules of the Competition. I hereby apply to be registered (in accordance with Rule 8 of the ESBL) with the above named club.

It is a breach of rule for a player to sign for more than one Club without a transfer. If a player is found to have made false statements on this form or to have falsified signatures the Management Committee can fine, refuse or suspend the registration if a case is found proven of registration irregularities. This FORM is NOT to be used for player transfers - a separate transfer form must be completed and submitted to the Competition.

Players are not eligible to play until confirmation of players eligibility is received, by way of the "Whole Game System".

Guidance for the completion of the “Player Registration Sheet” and Player Registrations.

1. The rules regarding the registration of players in the “**Essex and Suffolk Border Football League**” can be found in the ESBFL handbook – Section 8 of the Competition Rules.
2. Clubs must have at least 15 players **per team** signed on, by 31 July 2018. (Rule 8A)
3. Clubs can check whether players are registered for any other Club through the Whole Game System (“WGS”).
It is the Clubs responsibility to ensure a player is eligible to sign.
4. Except where a player is “Signed On Match Day”, the Player Registration Sheet alone shall be used to sign players on. Ideally the sheet will be completed electronically with the player signing in the correct place. If this is not possible, the writing **MUST** be legible.
5. The Player Registration Sheet can be downloaded from the <http://esblfootball.com/> website.
6. The Club Secretary shall complete, sign, date and number the Player Registration Sheet and send to the Hon Registration Secretary and log the player(s) onto the “WGS” (Rule 8B). The Hon Registration Secretary will check and either authorise or reject the players. They can **only** be played once they have been authorised and are shown “GREEN” on the “WGS”. So, it is not sufficient to complete and submit the Player Registration Sheet without also putting the player on the “WGS”. The Player Registration Sheet can be scanned and sent via email, or photocopied and sent in the post. Players will not be registered until both the Player Registration Sheet is received and the information is logged onto “WGS” and, where it is a signing on the line, that “SOMD” form has also been received.
7. Information about player suspensions in Essex can be found on the ECFA website at <http://www.essexfa.com/about/rules-and-regulations/discipline/suspensions>
8. The Player Registration Sheet can be copied and sent in at any time even if it is not full, and you can keep adding to the sheet until it is full as long as you copy and send it to the Registrations Secretary
9. It is good practice to ensure you have the Club copy/copies of the Player Registration Sheet at games with you, that is for all your Club’s teams.
10. It is permitted to sign players on “On Match Day” (a maximum of 2 players per team). The Leagues form “Player - Signed on Match Day Form 2018-2019” must be completed and submitted along with an updated version of the Player Registration Sheet within 2 days of the match (Rule 8b)
11. Transfers shall be completed by use of the “Transfer Form” available on the website. Separate guidance for that process is available.
